

WINSTON®

TWENTY TWENTY-ONE | QUICK SHIP

THE WINSTON DIFFERENCE

COMFORT

At Winston, we want you to want to spend more time outdoors, so every seating option is designed with your comfort in mind. Whether your style preferences lean toward products with cushions or our latest HDPE planked seating, every Winston chair offers generous proportions and thoughtful ergonomic design.

QUALITY

Since 1975, our passion has been producing furniture that is ready to stand up to whatever Mother Nature dishes out. Resort quality materials combined with our expertise mean your furniture will be ready for you when it is time to get outside for years to come.

CONVENIENCE

Whether convenience for you means fastest possible delivery or ultimate customization, shopping locally in-person or online in your pjs, or furniture so easy to care for you only need to hose it off once a year, Winston strives to provide options that satisfy your personal needs.

The watchword for Winston Quick Ship 2021 is curation. To that end, in the pages of this catalog, you will find this carefully curated assortment of stocked products that typically ship in 3* business days from Haleyville, Alabama.

And, to offer additional customization, all cushioned collections in our Quick Ship program offer alternate fabric color options that can typically be shipped in 2* additional business days (5* business days total.)

*Ship times are standard based on product availability being in stock at time of purchase and are not guaranteed. Does not include time in transit.

TWENTY TWENTY-ONE | QUICK SHIP NEW PRODUCT INTRODUCTIONS

In the interest of curation, most of the new introductions to the 2021 Quick Ship Program are either high performers from the 2020 Special Order Program or new color options designed to appeal to the latest trends.

We are adding one all-new collection to this highly curated assortment, Harper. This exciting introduction adds both a new style cue and another dimension to Winston's heritage of using quality materials in outdoor furniture applications by introducing ultra-durable HDPE planked construction to our offering.

BELVEDERE | CUSHION

We took the tried-and-true Belvedere design of sloped arms and channel-tufted cushions and updated the fabric and finish options to provide a more contemporary and on-trend look for 2021.

HARPER | DINING

The Harper Collection evokes elements of watercraft, with ultra-durable poly resin planks inspired by teak boat decking and all-weather aluminum frames for maintenance-free seating ready to withstand the harshest outdoor conditions. Matching planked tables complete the look and are available in a variety of sizes and heights.

NICO

Created with ultimate comfort in mind the Nico Collection is warm and inviting with a low profile and gently sloping arms. The handwoven sectional seating options can be arranged to maximize your space and boast deep, plush cushions. The coordinating table is topped with natural teak wood and can be styled as a chat table or integrated into the sectional as a corner piece. Nico is graceful and comfortable with versatile configurations and enduring style.

TRUSS

The Truss Collection has the appeal of classic craftsman style furniture with sturdy construction and industrial details. The teak planked wood table top sits on solid wood post legs and a trestle style base constructed in contrasting metal. Fully woven, barrel backed seating options soften the look with handwoven texture and coordinating teak legs.
