

POLYWOOD®

love your outdoors

20

20-YEAR WARRANTY

Backed by a 20-Year Warranty, our lumber is resistant to stains and corrosive substances, and isn't prone to splinter, crack, chip, peel, or rot.

WEATHER RESISTANCE

Our all-weather material is built to withstand all four seasons and a range of climates including hot sun, snowy winters, salt spray, and heavy winds.

LOW MAINTENANCE

Genuine POLYWOOD® lumber cleans easily with soap and water and requires no painting, staining, or waterproofing.

COLOR-STAY TECHNOLOGY

UV inhibitors and stabilizers protect our lumber from harmful environmental degradation and, along with light stable pigments, run continuously throughout the material.

Genuine POLYWOOD[®] Lumber

Available in two
unique finishes

Our furniture is constructed of genuine POLYWOOD lumber, an all-weather, easy-to-clean material that's made using landfill-bound and ocean-bound plastics.

Classic Finish

Our original lumber finish, Classic Finish, is a timeless, smooth texture with a satin painted wood appearance.

Vintage Finish

Our Vintage Finish was inspired by wire brushed textures and the richness of matte painted wood.
