Elaine Smith's 2025 Resort Collection invites you to indulge in the art of pillowing. Transform your space with fresh, on trend color, texture and creativity to keep your displays interesting. Pillows are the easiest, most efficient way to change the look of every vignette and if regularly updated, will keep excitement and energy in the forefront. Similarly, in customers homes, pillows shape spaces into a refuge of comfort and style, where every piece is designed to inspire and delight.
