Style & Comfort

Premium Cushions

Upgraded for 2024

Nothing complements our furniture like **premium quality cushions** that look good and sit even better. All of our cushions are made-to-order in the USA in your choice of fabrics. With **over one hundred stocked fabrics** and hundreds more available on special order, creating your perfect look has never been easier.

Introducing Ebel Elite! We've upgraded our standard deep seating cushions for 2024 - **enhancing comfort** and providing an **unmatched seating experience**.

The cushions are now thicker and more plush, offering a more **luxurious feel**. Made with **High-Resilience foam** further improving **comfort**, durability, and longevity. These enhancements affirm Ebel's commitment to providing high-quality products that prioritize **comfort and durability**. Whether you want to relax or entertain, Ebel Elite deep-seating cushions are designed to exceed your expectations.

We offer performance fabrics specifically designed for outdoor use from manufacturers such as Sunbrella, Outdura, Bella Dura, and Inside Out.

Ebel Quick Dry Cushions

Weather-proof options are available for cushions that are fully exposed to the elements. Upgrading seat cushions with Ebel Quick Dry reticulated foam allows water to run through the cushions resulting in faster drying times. Additionally, Sunbrella Rain fabrics, available by special order, are manufactured with a special barrier coating applied to the back of the fabric preventing water from penetrating into the cushion.

Performance Fabrics

Handcrafted

Ebel Elite Comfort

Crafted with the finest materials

Using state-of-the-art equipment such as digital fabric cutting machines, automated sewing machines, and stuffing machines, our cushions are crafted with precision creating a beautiful and comfortable cushion.

“
Since 2007, Ebel has partnered with Trees for the Future.
”

TREES is an organization committed to promoting agroforestry and providing renewable energy to impoverished areas. For every piece of furniture we produce, Trees for the Future plants one tree.

Trees for the Future operates in degraded and deforested

regions, tackling climate change and world hunger. Farmers are trained to sustainably revitalize their land. This provides sources of food they otherwise would not have access to. Through TREES' Forest Garden Approach, farmers plant thousands of trees that provide protection and nutrition. Their gardens and soil are restored through nitrogen fixation.

This helps farmers grow a variety of fruits and vegetables. Forest Garden farmers gain increases in income and food security, even in the first year.

Learn more about the good TREES is doing at their website trees.org or follow them on social media: [@treesforthefuture](https://twitter.com/treesforthefuture).

Care & Warranty

Trust the quality and durability of Ebel furniture.

Not only is Ebel's outdoor wicker a relief on the environment, but it's also a breeze to maintain. This 100% weatherproof polyethylene weave allows for quick and easy cleaning with household cleaners.

Ebel cushions and pillows are warranted for a period of one year.

Cushions should be dried prior to storage to avoid mildew and cleaned professionally if heavily soiled. Enjoy years of comfort and satisfaction with Ebel's limited warranty.

The full warranty is detailed in the dealer price list. Do not hesitate to contact your local dealer with any questions concerning the warranty or any Ebel products that interest you.

With Ebel, you receive not only the satisfaction of helping the environment, but also the reassurance that you'll be able to do so for years to come.
